WIFE SELLING IN ENGLAND. - The Liverpool Times gives an account of wife selling in England. The following particulars of a late case gathered from that paper, viz :- A man sold his wife to a farmer of Oaking-As the Whig papers are quoting the Duke of Wellington in favor of Gen. Scott, we will give the opinion of another Englishman upon the same subject.

A Frenchman got exceedingly angry with a waiter at a hotel. "You rascal," exclaimed he, "I blow your nose for you."

A Frenchman got exceedingly angry with a waiter the "cash down," he refused to deliver up his wife. Finally, the wife got out of patience, and told her husband "she would not be fooled with any longer, and that she "would so here will be the property of the "cash down," he refused to deliver up his wife.

Powerful Joke.—A western editor thinks Hiram and that she "would so here will be the property of the "cash down," he refused to deliver up his wife.

Finally, the wife got out of patience, and told her husband "she would not be fooled with any longer, and that she "would so here."

"Mother," said a fellow the other day, "is there any harm in breaking eggshells?" "Certainly not, my dear; but why do you ask?"
"Cause I droped the basket just now, and see

Djenin afforded us a fair example of the extent to it is upon the success of agriculture that a nation's success depends, that it is the foundation of every other branch of industrial that a nation's concerned, but shall never mistake for party principles is concerned, but shall never mistake for party principles is concerned, but shall never mistake for party principles is concerned, but shall never mistake for party principles is concerned, but shall never mistake for party principles is concerned, but shall never mistake for party principles is concerned. at my companions next morning for being troubled We copy the following from the closing portion about such trifles. But, O Djenin! To this day I cannot think of that miserable little town and the " Hallo !" said I, " what's the matter, Captain ?"

" The fleas," said the Captain; " they're quite stunning, I assure you. Never saw so many in all my

"Why don't you catch 'em?" "Too strong for me; can't holl 'em. 'Pon my honor they won't let me sleep a wink. Awfully ferocious animals; stunning, quite stunning I assure you. Sir, I don't think any thing short of hot brandy punch will cure them "

The proposition w s so gratifying that we all imten minutes, on the pain of our displeasure. Very soon we felt quite happy, in spite of the verminhappier a good deal than we did next morning.

I have looked in vain for a scientific description of the Syrain flea. Surely it deserves a place in natural history; and, although unskilled in entomology, I shall here notice briefly this extraordinary animal. is his food; he prefers Christians to Arabs as an article of diet; has great vigor of muscle and capacity In an instant a rosy che ked girl entered, her face for digestion; carries in his mouth a long harpoon, which he throws with great skill; uses likewise a boarding knife and patent forcing pump. He never dies naturally, but is subject to diseases of the brain, from too great a flow of blood to the head. Wounds life; hence by repeated attacks a man may be altogether dried up ; in which case he becomes a dry subject. One should always, when he feels the harpoon thrown into him, seize hold of the flea by the hind legs, tear him out by main force, and deposit him sewalked up.

We had fleas all through Syria; we were flayed by TO NEW YORK. fleas from Beirut to Jerusaiem. They are the living | Turpentine, Rosin, and Tar, yer barrel, ... \$ 25 a \$ 30 "A fine, pleasant girl," said Pulaski; "would that embodiment of the nights in Palestine, which are now I had the wealth that I once had, I would give her a the nearest approximation to the knights of Jerusalem.

Last Sunday afternoon, in the "First Congregational Church," in North Chelsea, during the singing of the second hymn, a rabid dog of enormous size rushed up a side aisle and commenced an attack upon the pew of Mr. Jonathan Harrington. Failing to effect an entrance, he sprang with a spasmodic leap to the pulpit, beating furiously against the doors, until he ell on the head stair exhausted, and frothing with mpotent rage. The audience were instantly thrown into a great confusion, and a general, perhaps tatal, rush to the door seemed about to ensue. They were somewhat reassured, however, by a caution from the pastor, Rev. Norwood Damon, "to be composed and remain in their seats as the surest means of safety."

At this crisis, Mr. Ephraim Pierce, a youth of eigh een, and son of Captain John Pierce, stepped from his piace, seized the animal by the back of the neck, and notwithstanding several attempts to bite, succeeddoors were closed, and the dog fled to the adjoining graveyard, where he was subsequently shot. After quiet was restored, the choir finished hymn, and Mr. Damon pronounced a sermon on death the much wished for busy fall trade. A member of the congregation had died during the

REVIEW OF THE WILMINGTON MARKET, FOR THE WEEK ENDING SEPTEMBER 2, 1852.

REMARKS .- Since our last weekly review there has been heavy rains above, eausing the Cape Fear to swell up some Betts, G W forty feet at Fayettville on Monday last. We heart that it Brown, miss E D had fallen to 20 feet water on vesterday, and will probably fall still lower, but probably not enough to impede naviga- Black, M tion again this fall. We look upon it that the "dull sea- Bunn, L son" is now nearly over, and we shall in a short time resume Barnes, J E

BACON-Sales of N. C. Bacon at 14 cents for hams, 13 for CORN .- The recent arrivals of Corn from the North Coun-FLOUR-Fayetteville brands are scarce, and have advan-Cannon,

ced a shade. Stock of all other brands fair. See table for Clark, D L 2 quotations in quantity and quality to suit. HAY-No receipts, and the article is scarce. Retailing from store at \$1 121 a \$1 25 per 100 lbs .- generally at highest figure.

HEADING-Sales of 23,000 pieces Heading at \$9 a \$10 per M., clear of inspection-the highest figure having been paid Davies, William LARD-The stock of Lard is light. We note small sales

at prices ranging within quotations, in kegs and barrels. LIME-Stock fair, and sales of 200 casks at \$1 10 a \$1 15 Davis, John H LUMBER-We note but little demand for river lumber. A

Oxrs-Sales 1,000 bushels at 34 cents per bushel. Rice-Light stock. We note sales of 80 a 90 tierces at

\$4 50 per 100 lbs., about all to be had at the time. SALT-Sales of 350 sacks on Wednesday at \$1 per sack, TIMBER-Sales have been both light and dull, and stock

accumulating. See table for classified figures. TURPANTINE -A further advance of 10 a 15 cents per bbl. has taken place since our last Thursday's weekly review, for yellow dip. We note sales during the week of 2496 barrels, viz: 1300 on Friday and Saturday, at \$2 50 for yellow; \$2 75 for virgin, and \$1 20 for hard. Monday and Tuesday quality, and will be furnished on reasonable terms. 639 at \$2 55 a \$2 60; Wednesday 507 at \$2 65 for yellow

SPIRITS TURPENTINE .- Sales of 450 barrels on Thursday after our report was made up, at 351-Friday and Saturday 450 bbls. at same price-Monday 340 at 354 a 36-Tuesday 500 at 36 cents per gallon, and some other sales on private terms-100 barrels this morning at 36 cents per gallon. Rosin.-Sales of Rosin-1600 bbls. common-at 93 cents

for medium size-150 No 1 at \$2 50 per barrel. TAR .- Receipts light and the article in demand. We note sales of 128 barrels at \$2; 106 at \$1 85 per bbl .- about all
